# PING-PONG TABLE

**\*ILLUSTRATIVE IMAGE**

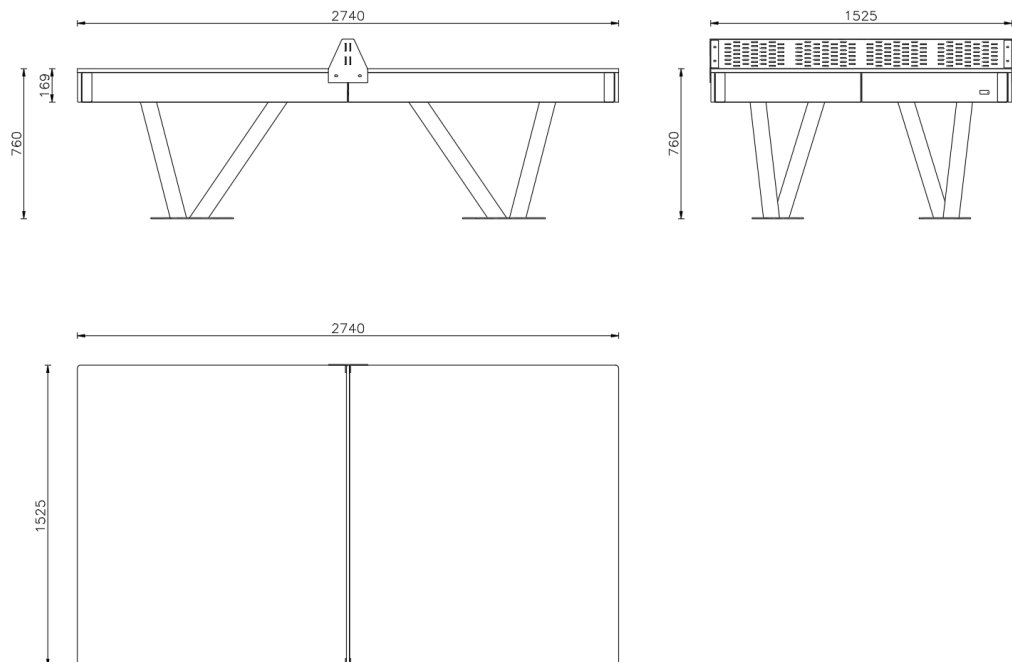

A robust, vandal-proof table-tennis table that can withstand all types of weather conditions. The game board is made from 19mm weather-resistant polyethylene and the frame is made from rust treated hot-dip galvanized steel. Complete with central mesh made of galvanized and light-grey coated steel or in resistant nylon and dense mesh. The placement of the frame allows for plenty of room to sit at the ends of the table, even with a wheelchair.

## TECHNICAL INFORMATION

Dimensions 2740 x 1525 mm

Height 760 mm

Estimated weight 146 kg
