

# LEG PRESS II

Code: KS-FS-029

## Description

The Leg Press is outdoor gym equipment to strengthen and builds up the thigh and buttock muscles while increasing the overall endurance of the body and improving flexibility. This device is available in a comfort version. The comfort version provides everyone with optimal comfort thanks to the seat and backrest covered by polyurethane foam (PU system). As a result, users never have a feeling of hot touch during very sunny days or cold during frost.

To do the exercise sit comfortably on a seat, place your feet on the step and grab handrails with both arms then push hard steps until you straighten your legs.

## Product details

- Dimensions (LxWxH): 1,21 x 0,65 x 1,65 m
- Safety zone: 4,21 x 3,65 m
- The number of anchors: 1
- Compatibility with norm EN 16630 confirmed by the certificate
